Liquids Absorbed	:	Acids, Caustics & unknown liquids
Contents/Package	:	4 boxes of 25 pads
Colour	:	Pink
Dimensions	:	25 cm x 33 cm
Composition	:	100% Polypropylene
Absorbency	:	37.1 L/Case
Weight	:	4.6 Kg

Description

- Compact Bench Box® Dispenser protects a personal supply of PIG® Mat Pads from dirt and moisture; easy to store nearby or take on the go; convenient dispenser top gives you quick access to Mat Pads
- Layers of 100% polypropylene are thermally bonded to make PIG®® Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Absorbs and retains most acids, caustics and unknown oil- or water-based liquids without degrading or causing a dangerous reaction upon contact with corrosive spills
- Specially treated to absorb high concentrations of corrosive liquids, such as 98% sulfuric acid and 30% sodium hydroxide, better than any other absorbent in the market
- Easy-tear perforations let you take only what you need, so you use less Mat and save money

Warnings & Restrictions	:	ATTENTION: Independent testing indicates that PIG HAZ-MAT products are compatible with and absorb most acids and caustics. Due to variables and conditions of applications beyond our control, New Pig cannot guarantee that this proudcut will absorb to your satisfaction. To insure effectiveness and your safety, we recommend that you conduct compatibliity and absorption testing of your chemicals with PIG HAZ-MAT products prior to purchase. If you have any questions or need samples to test, please call your local distributor.
