PRODUCT DATA SHEET

| | |
|-------------------------|---------------------------------------------------|
| Item Number | : CPFH100 |
| Item Name | : PIG® Essentials Pro Chemical Absorbent Mat Pads |
| Liquids Absorbed | : Acids, Caustics & unknown liquids |
| Contents/Package | : 100 pads/package |
| Colour | : Yellow |
| Dimensions | : 48 cm x 38 cm |
| Composition | : 100% Polypropylene |
| Absorbency | : 100 L/Package |
| Weight | : 5.9 Kg |

Description

- 100% polypropylene mat quickly absorbs nearly any type of caustic, hazardous or unknown liquid — including acids, bases, solvents and chemicals
- Colour-coded Safety Yellow for fast identification; know exactly what you're reaching for in an emergency spill situation
- Top and bottom layers of FineFibre are built of densely-woven, small-diameter strands of fibre to increase surface area — enabling the Mat to quickly soak up liquids on contact before they can spread
- Random assembly of large-diameter MeltBlown polypropylene fibres creates a high-loft inner layer that absorbs high volumes of liquid fast
- HeavyWeight construction offers the greatest sorbency
- Perforated every 19 cm lengthwise
