Description

- Large-diameter fibres start wicking on contact to save time in critical situations, helping prevent environmental damage and potential slip hazards
- Provides quick, efficient cleanup; just soak up the spill, then throw the Mat away to get back to work faster
- Loose-stacked weave design maximises absorbency; use less Mat to reduce waste and save on disposal costs
- Pre-cut sheets are ideal for lining bench tops, catching machine drips and quickly cleaning up spilled liquids
- Grey colour hides grime; stays down longer and saves you money
